ERNESTO NAZARETH 150 ANOS

ernestonazareth150anos.com.br

MELODIA & CIFRA

volume 1

adaptação para o formato *melodia & cifra*:

Paulo Aragão e Marcílio Lopes

editoração e diagramação musical:

Marcílio Lopes

Mesmo considerando a excelência de sua escrita pianística, a música de Nazareth, de forma geral, soa com muita naturalidade em formações instrumentais populares. Não custa lembrar que desde o início do século XX os músicos populares sempre abraçaram a música de Nazareth com grande intensidade.

O objetivo da elaboração deste conjunto de partituras no formato *melodia & cifra* é fazer com que sua obra esteja ao alcance do maior número de instrumentistas possível.

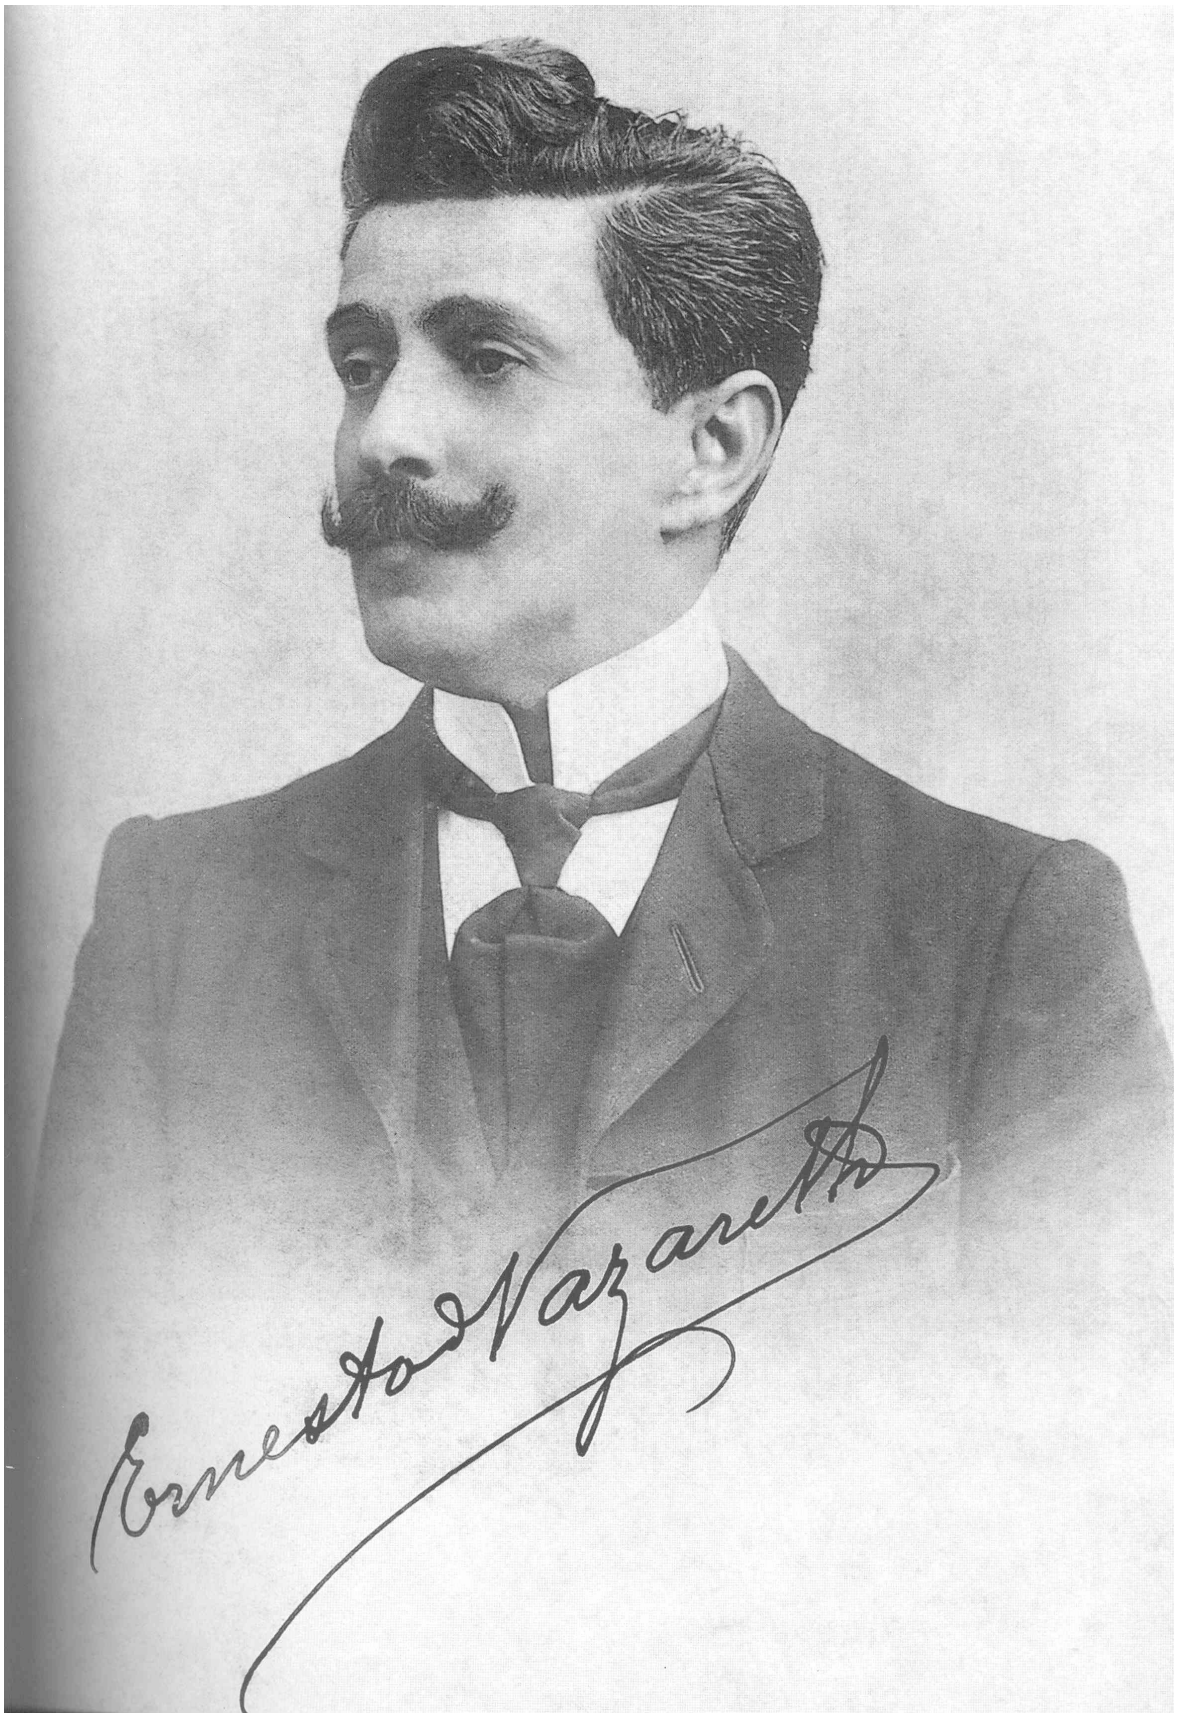

As harmonizações seguem rigorosamente a escrita de Nazareth, privilegiando seus principais contracantos e suas linhas de baixos. As melodias foram rigorosamente transcritas, sendo usado o recurso de transposição de oitava somente em casos extremos, de forma a tornar exequíveis em outros instrumentos, com tessituras não tão amplas quanto a do piano. Mesmo nesses casos, a transposição de oitava foi realizada de maneira a soar o mais natural possível.

Algumas tonalidades mais pianísticas foram ajustadas para outras mais comuns dentro da prática da roda de choro.

Ao lado de alguns clássicos encontram-se músicas menos conhecidas e que enriquecerão o repertório dos conjuntos de choro da atualidade. Esta primeira leva reúne 60 músicas, em breve serão publicadas mais 60 adaptações.
